## Introduction

Little Acorns Contact and Training Suites are located at Rook Tree Barn, our purpose built facility that provides a safe venue for contact between children and families, along with a large multi-use activity, conference and training suite, ready for all your business needs.

Situated on a former farm in the village of Great Wratting, just outside Haverhill in Suffolk, we border and cater to Essex, Hertfordshire, Cambridgeshire and Norfolk based Local Authorities, businesses and individuals.

Our centre boasts the latest training and conference facilities, along with ample free onsite parking in a rural setting, close to all amenities

Our two superbly equipped contact suites offer an environment where children and families can feel comfortable in secluded and secure surroundings.

## Contact Services

Little Acorns Contact and Training Suites aim to provide a completely flexible environment with multi-use functionality.

The centre is purpose built to cater for contact between couples and families in all circumstances whether they be parent and families or neutral ground for adults in mediation or counselling sessions.

### Supervised Contact

We can provide co-ordination and provision of supervised contact on behalf of local children's services, whether children are in Local Authority or independent care; assessing and informing children's services in their decision making.

We offer children's escorting services to and from contact and can be flexible in providing separate waiting areas and staggered arrival and departure times to meet the needs of the individual case.

Our supervisors are qualified social work professionals and can provide two levels support session report should they be required.

Level 1 reports are high level observational reports that provide factual commentary on the contact session which informs the commissioning parties in how the support session was conducted.

Level 2 reports provide a more in depth observation and assessment, records discussions and includes recommendations on future contact plans.

### Supported Contact

Supported contact services at Little Acorns involves use of the facilities in a secure setting, with all the amenities available to you. Little Acorns staff are on hand to assist if required but do not play a part in the contact session itself and do not provide any form of reporting.

***Video recording sessions can also be arranged on request.***

## The Life Skills Suite

Our Life Skills Suite provides a spacious and relaxed environment for larger parties with the addition of a kitchenette that allows for parents and young people to undertake independent living skills.

As with our Garden Suite, the room is equipped with a multitude of safety features to protect young ones including cooker guards and other safety equipment and is furnished with DVD's, books, games and activities for all ages.

## The Garden Suite

Our Garden suite is a homely, comfortably furnished room with an adjoining garden and patio area that is a perfect and private setting for contact between families, supervised or supported.

The room is equipped with a multitude of safety features to protect young ones, with DVD's, books, games and activities available for all ages.

*The private and secure garden area provides a fantastic space to relax and concentrate on getting the most out of contact.*

## Training and Conference Suite

Our large purpose built training suite is a fully networked and WiFi enabled environment equipped with a 75" HD screen and media technology ready to host conferences, training sessions, presentations and functions for all your business needs.

The centre provides separate breakout areas and an additional meeting room coupled with an external patio and lawned area making this space the perfect flexible solution for almost any business function.

*Free on site car parking for up to 40 cars.*
